TROOP MEDICATION LOG

TROOP:

TURN THIS LOG IN TO THE CAMP MEDIC AT THE END OF THE CAMP SESSION

DATES AT CAMP:

CAMPSITE:

INSTRUCTIONS: Fill in troop, campsite, and date information. Any leaders who will distribute medication need to print their names in the box to the left, followed by their initials. Fill out the first four columns of the chart below; include all scouts who have medication at camp (over the counter and/or prescription), along with the name of the medication, the dose (200mg, 2x20mg, etc.), and the directions (1 in PM, w/food, etc.). Whenever a scout takes a medication, the leader who distributes it initials the box that corresponds to the day and time.
